Are you interested in making a real difference in the life of a child? Would you like to learn more about becoming a volunteer guardian ad litem?

Here is the perfect opportunity to have all your questions answered, talk to current volunteers, learn about our program and complete an application—all in an informal atmosphere.

Join members of our Volunteer Recruitment Committee between 9:00 AM and 12:00 PM at the Starbucks on Kerry Forest for our monthly community outreach and education day!

Our friendly volunteers are looking forward to meeting you and having the opportunity to discuss the rewards of becoming a guardian ad litem.

Stop by with a friend, enjoy a beverage and learn about how you can contribute. We hope to see you there!
