*Sponsored by*

**CHILD ADVOCATES II, INC**

*Non-Profit Board for the Guardian ad Litem Program*

Child Advocates II is the non-for-profit organization supporting the Guardian Ad Litem program for the Second Judicial Circuit (Leon, Franklin, Gadsden, Wakulla, Jefferson, and Liberty Counties). The Guardian ad Litem Program is appointed to nearly 500 children. These kids are abandoned, physically and/or emotionally abused or neglected. Many are in foster care, removed from family and siblings, and their needs are often overwhelming. Child Advocates II, Inc. helps provide funds for clothing, medical/dental care, counseling and legal services, transportation, holiday gifts, school supplies, and summer camp expenses.

The holidays are just around the corner and, like our own children, these children eagerly anticipate their arrival. We are asking for your support to assist in supplying gifts for these children. No matter how big or small, your generosity will put a smile on a child's face and a glister in their eyes. If you decide to sponsor a child or family or have any questions regarding our organization, please contact **Stacey Burns (850) 320-0816 or e-mail [childadvocates2@gmail.com](mailto:childadvocates2@gmail.com)**. If you would prefer to make a monetary donation, please make your check payable to **Child Advocates II, Post Office Box 3992, Tallahassee, Florida 32315**.

The Board would like to take this opportunity to thank you for your generous support in the past and hope you will decide to sponsor a child or a family this year. Child Advocates II Board and the Guardian Ad Litem Program hope you have a wonderful holiday season.

Thank you, Stacey Burns, Secretary, Child Advocates II
