**Children's Medical Service
2390 Phillips Road
Tallahassee, Florida 32308**

To register contact Kathy Burton
at 850-635-9041 or kathy@fndfl.org

Elected officials, and those appointed to higher policy cabinets, not only want your input but require it in their job. This workshop covers the basics of how to offer your input with impact. Learn the protocol. Learn what they need to hear, and more importantly don't want to hear, to ensure your message is delivered. Become an active member of the policymaking system.

Presented by:

Richard La Belle

Executive Director

Family Network on Disabilities
