

Developing Quality IEPs

When?

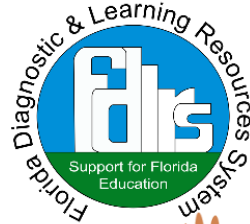

March 8, 2016 OR March 25, 2016
8:30 am – 3:30 pm

Where?

FDLRS Miccosukee
725 S. Calhoun St. Tallahassee

The goal of this workshop is to help educators develop quality individual educational plans (IEPs) for students with disabilities, both at the elementary and secondary level. An overview of assistive technology will also be covered, in addition to transition planning for secondary students. Participants will earn 6 hours of bankable ESE points.

- Leon – Participants must register prior to the training on True North Logic.
- Gadsden, Jefferson, Taylor, & Wakulla – Participants must register prior to the training on ePDC.
